emergency  
department visits

300,481  
outpatient  
visits

## GIVING BACK TO OUR COMMUNITY:

## Your Support Provides High-Quality Healthcare for All

In 1933, five women's clubs rallied local citizens to support the founding of the Arlington Hospital Association with the goal of building a hospital in Arlington. Since then, Virginia Hospital Center has been a trusted source for exceptional care, serving a wide range of medical needs throughout the Northern Virginia and Washington, DC area. **Thanks to your generous support, we were able to provide the following benefits\* to our community in 2016:**

\$19 million in charity care

\$7.5 million in uncompensated care for patients with government sponsored

\$879,000 in health screenings and education outreach

\$2.1 million in medical education

\$13.3 million in all other community benefits, including Arlington Pediatric Center and Arlington Free Clinic

**TOTAL COMMUNITY BENEFIT: \$42,803,039**
